

# LOOKING FOR SOUND PROJECTION?

www.salviharps.com

From solo recital to great ensembles,  
Salvi helps you find it.

NEW  
Sounding Box

*Iris*

*Minerva*

*Arianna*

The **New Deluxe CG Series** can make your life easier. **Iris**, **Minerva** and **Arianna** now come equipped with an innovative **sounding box**, resized and designed for even better dynamics control. And advanced research guarantees greater sound projection thanks to a perfectly **balanced structural elasticity**.

A test play at your local Salvi Dealer will be worth a thousand words.
